## Information Sheet for Corridor Teams

**How will the corridor teams operate?** *Each Corridor will have a liaison from the Steering Committee, a budget for the event, and seed money for projects/service/learning.*

### **What are the goals for the corridor teams?**

1. **Brainstorm, discern, identify, and execute** 2-3 foundational opportunities that live into the theme of “Rekindling Hope, Sharing Light, Loving Jesus” leading up to the revival, beginning in spring 2018. These events should have a focus on people sharing their stories – connection through conversation.

Possibilities: prayer breakfasts, faith sharing events, service projects, local ways to participate in Bible Challenge, and more.

2. **Help regions and individual parishes** find “ways in” to prepare for and follow up on the Revival weekend.

3. **Emphasize “Plus One”** – find ways to help parish members invite others to participate in Revival events.

4. **Plan and coordinate weekend Revival events October 20-21:**

- **Saturday: a coordinated service project that gives life to the theme**  
Evangelism boot camp (there will be a team from the PB’s office on the ground to help that weekend)? Service project? Etc.
- **Sunday: Plan and coordinate the worship/prayer service in each corridor.**  
The PB will go from a Eucharist in the Berkshires in the morning to a central, larger prayer service in Holyoke mid-day, and to Worcester for late afternoon service in the streets.

*note: there will be firm time limits in each place to allow for movement from one corridor to the next*

## What's the bigger picture?

It is our hope that the Revival weekend will be a springboard to further opportunities to rekindle hope, share light, and love Jesus within our diocese. The team will also brainstorm, discern, identify, and execute learning, worship, and faith formation opportunities to follow up on the Revival through 2019.
