

The Bible Challenge revives WMA

As part of our spiritual preparation for #WMARevival, we are inviting our congregations to participate in THE BIBLE CHALLENGE – a process for reading the entire Bible in 365 days. Go to: <https://www.wmarevival.org/bible-challenge-revives-wma.html> for all the details.

- You'll find the list of daily readings to use with your own Bible.
- You can join our Facebook Group where daily readings will be posted and folks will engage in meaningful conversation:
<https://www.facebook.com/groups/421061761673324/> .
- If online isn't your thing, gather a parish group to meet once a week – anywhere – to reflect on the experience.

Are you in? It all begins with the gift of the Spirit on the Monday after Pentecost – May 21.
